SAFETY PROPERTIES			
Slip Resistance	As per Mfg.	>0.40	ISO - 10545-17
Fire Resistance	As per Mfg.	Fire Proof	N.A.

Quality Control :

Quality Control is one of the major and heavily invested part in making of product, Preventative action from our side is key to make sure that what you are exporting is safe and fit for purpose.

We ensure you that we comply with standards, reduce product failures and pass quality control standards set for our product.

We provide transparency in our methods and work to satisfy customers requirements. Continuously improve the effectiveness of both the quality management system and the provision of our all products and services.

Ramirro Ceramica manufactures porcelain tiles according to the latest version of ISO 9001;2015, Its Tiles Testing Laboratory is operating in accordance to QMS accredited by affiliation.

Setting and reviewing measurable quality objectives and targets, which address the risks and opportunities within the company, and ensuring those objectives are met.

Providing the necessary resources and ensuring responsibilities and authorities are determined and communicated throughout the company.

Monitoring the conformity of products to standard and contractual requirements.

Reviewing the effectiveness of the quality management system on a regular basis and assessing opportunities for its continual improvement. Seeking structured feedback from our customers.

Ensuring everything we do is always carried out in accordance with stated methods and customers' requirements.

Quality Accreditations :

Corporate Office :

#312, R.K. Prime, Nana Mauva Circle,
150 feet ring road, Rajkot- 360005,
Gujarat , India.

Factory Address :

Morbi-halvad road, Ghuntu, Gujarat 363642.
